

NEWS FROM THE BOARD No.12

23rd March 2017

- Bob Love. It is with great sorrow that we (belatedly) report the passing of our Life Member. Our apologies for not reporting this earlier, with his passing just before Christmas the report got overlooked.

Bob served for many years as our Inspector of Rifle Ranges and provided his surveying skills generously. He assisted the Association with the laying out of the Lower Light range, which was no mean feat especially when you observe the "modern" instrument he used.

The picture on the left shows the first blow being struck on the range - he is marking the centre line for the targets

- DRA and Country Teams was shot last weekend (18th/19th March).

The DRA teams competition has a new format with the TR and F-Class scores being combined. This initiative seems to have been well received. Four DRAs entered teams.

Country team numbers were similar to last year, which was encouraging. With the new format of four person teams we were hoping to attract some more clubs, and hopefully in the future we can grow the competition. The competition has now been expanded to

allow for city clubs to enter teams (for a separate "Open Club" trophy), only one city team was entered, we will have to try and encourage more entries in the future.
